Payment Details:

If there is a viable space available in a program of your choice, an individual quote for your Assisted Place will be provided (this is in addition to regular term fees). This quote will be based on the level of trainer required to assist the individual student, the length of the class and any other factors which may need to be taken into consideration. There are a number of ways participants have chosen to cover fees including negotiating the quoted amount as part of their NDIS package, payment by a referral agency, upfront payment in full or through a payment plan or by applying for the term fee component to be covered by the Warehouse Circus Subsidised Places program (see <http://warehousecircus.org.au/subsidies-and-assistance/> for more information). Please indicate how you intend to pay the Assisted Place and Term Fee for your program:

- We will be paying full fees for both the Assisted Place and Term Fee.
- We have attached a Subsidised Place Application Form which we are hoping will cover the Term Fee component.
- We have or will be negotiating the Assisted Place fee as part of our NDIS package.
- The following referral agency will be covering our fees: _____
- We don't know – please contact us to discuss these options further.
